

One product, two brands - Astemo and Hüco

The diverse product range includes items offered under both the Hüco and Astemo brands. Despite the different brand appearances, there are no differences in quality.

All products meet the same high standards in terms of development, manufacturing, and performance.

The following table provides an overview of the few differences between the two brands:

Brand	Astemo	Hüco
Product reference	250 XXXX	13 XXXX
Packaging	Astemo box	Hüco box
Product branding	Astemo	Hüco
Time of Warranty	2-year guarantee	5-year guarantee

The Astemo and Hüco brands are a mark of quality

Quality management and development department at the Espelkamp site ensure a unique product quality of the Astemo and Hüco brands for the aftermarket that is comparable to that of the OE product. No product wears the Astemo or Hüco logo until it has been carefully designed, precisely manufactured, and rigorously tested. With our iconic product brands Astemo and Hüco, we offer new customer-oriented developments combined with high product and service quality.

we offer new customer-oriented developments combined with high product and service quality. Our strong product brands have been brought together under Astemo (Advanced Sustainable-Technologies for Mobility) to form a strong partner in the automotive aftermarket.

Since 2011, our development department with its own test centre has been developing products that meet the growing demands of our market. We meet our customers comprehensive requirements and high demands on the quality of all products, processes and services by consistently striving for the zero-defect target, 100 % delivery reliability and a continuous improvement process (CIP). By acting responsibly and carefully, every employee contributes to avoiding, recognising and eliminating the causes of errors. To underline our quality statement, we are of course certified according to DIN EN ISO 9001:2015. Astemo quality is what your vehicles need.

Astemo or Hüco? It's your decision!
